INDEX OF DRAWINGS

1  TITLE SHEET
3-7  SITE PLAN

GENERAL NOTES

1. GENERAL INFORMATION: The Howard County Department of Planning, Engineering & Environment (PEE) is responsible for the design and construction of the improvements shown on the plans.

2. CONTRACTOR'S RESPONSIBILITY: The Contractor shall ensure that all work is performed in accordance with the plans and specifications. The Contractor shall also ensure that all necessary permits and approvals are obtained in a timely manner.

3. INSTALLATION GUIDELINES: The installation guidelines are based on the following design considerations:

4. UTILITY PROTECTION: All utilities are to be protected during construction, and any damage incurred shall be repaired by the Contractor.

5. CONTRACTOR'S OPERATIONS: Any damage incurred due to the Contractor's operations shall be repaired by the Contractor.

6. CONTRACTOR'S RESPONSIBILITY: The Contractor is solely responsible for the construction means, methods, techniques, sequences, procedures, and safety precautions.

7. SHOE PERFORMANCE: Any discrepancies between the plans and the as-built information shall be reported to the Engineer.

8. RECONNAISSANCE: Any discrepancies between the plans and the as-built information shall be reported to the Engineer.

9. HOLDING DUE TO HARDSHIP: When necessary, the holding due to hardship provision shall be used and any damage incurred shall be repaired by the Contractor.

10. PERMITS AND INSURANCE: The Contractor shall obtain all necessary permits and insurance for the work.

11. UTILITY CONTACTS: The Contractor shall contact the following utilities prior to any construction:

   - BGE (GAS): (410)-291-5101
   - BGE (ELECTRIC): (410)-291-5100
   - BGE (WATER): (410)-291-5102
   - BGE (Sewer): (410)-291-5103
   - BGE (Telecom): (410)-291-5104
   - BGE (Cable): (410)-291-5105

12. GENERAL NOTES: All work shall comply with all applicable provisions of the applicable codes and standards. All field work shall be performed in accordance with the plans and specifications.
